CBE IN THE NEWS

- [Helping Planet Earth Every Day](#)

DEPARTMENT'S SEMINAR/EVENTS:

- [A two-day symposium](#) primarily intended for African American, Hispanic and Native American U.S. doctoral and post-doctoral scientists to learn more about exciting science at Dow

JOBS/RECRUITING:

- University of Massachusetts Lowell
Position: [Assistant Teaching Professor](#) – Chemical Engineering
Job #: 505115
Brief description: Responsibilities will consist primarily of teaching the undergraduate laboratory courses with opportunities to teach other undergraduate courses. In addition, opportunities may exist for developing new courses and teaching at the graduate level. The successful candidate also would be involved in advising undergraduate students, service and outreach activities, and actively participating in continuing efforts to improve the department's educational mission.

Available positions can be found on the Chemical & Biomolecular Engineering [opportunity website](#), so be sure to check it regularly.
