## JOBS/RECRUITING

- **West Virginia University**
  - **Position: [Tenure-Track Assistant Professor – CBE – Statler College of Engineering and Mineral Resources- 20310](#)**  
**Brief description:** The Biomedical Engineering Program in the Department of Chemical and Biomedical Engineering at West Virginia University (WVU) is soliciting applications for a tenure-track faculty position at the rank of Assistant Professor starting as early as Spring 2023. WVU provides strong support for the research work of its faculty, including start-up funds, renovated laboratory space and access to state-of-the-art core facilities, as well as mentorship opportunities for collaborations and individual professional growth.
  - **Position: [Teaching Assistant or Associate Professor – CBE – Statler College of Engineering and Mineral Resources- 20290](#)**  
**Brief description:** The Department of Chemical and Biomedical Engineering at West Virginia University invites applications for a non-tenure track teaching faculty position in biomedical engineering starting as early as Spring 2023. Applicants will be considered at the rank of Teaching Assistant or Teaching Associate Professor. This is a nine-month, non-tenure track faculty rank position that is eligible for promotion and merit raises with contract lengths of 6 years and 9 years upon promotion to associate and full teaching professor, respectively. The position anticipates a level of effort of 80% assigned to teaching and 20% assigned to departmental service.
- **University of Wisconsin-Madison**  
**Position: [ASSISTANT PROFESSOR](#)**  
**Job #: 264323-FA**  
**Brief description:** The Department of Chemical and Biological Engineering seeks faculty candidates to enhance present departmental strengths in research and teaching. The successful candidate will be expected to develop a world-class research program, to provide undergraduate and graduate instruction in areas of technical competence, and to engage in public service as appropriate.
- **Caltech**  
**Position: [Assistant Professor of Medical Engineering](#)**  
**Brief description:** The Department of Medical Engineering within the Division of Engineering and Applied Science at the California Institute of Technology (Caltech) invites applications for a tenure-track faculty position at the assistant professor level.

Available positions can be found on the [Chemical & Biomolecular Engineering opportunity website](#), so be sure to check it regularly.
