

## NEWS OF THE WEEK

JANUARY 3, 2023

### CBE IN THE NEWS

- [Updates regarding the COVID-19 vaccine](#)
- [Chemical engineering community](#)

### DEPARTMENT'S SEMINAR/EVENTS:

- **Winter Research Review: 4th Year Talks**  
Wednesday, January 25, 2022  
Clayton Hall Conference Center  
[Registration](#) required - **Deadline: Jan. 9, 2023**

### JOBS/RECRUITING

- **National Center of Competence in Research (NCCR)**  
**Position:** Bio-Inspired Materials Summer Internships  
**Brief Description:** Looking for an undergraduate summer research project with a difference? Sign up with Switzerland's National Center of Competence in Research (NCCR) Bio-Inspired Materials! Cutting-edge research:  
The NCCR Bio-Inspired Materials offers you the opportunity to spend the summer break participating in groundbreaking research within one of the Center's groups.
  - When: June 15 to September 15
  - Duration: eight to 12 weeksApplications being accepted through January 20, 2023. For more information and to apply [CLICK HERE!](#)
- **Lund University**  
**Position:** [Senior Lecturer \(Associate Professor\) in Physical Chemistry, with specialization towards colloid and interface science studied by scattering methods](#)  
**Brief Description:** The candidate should have a strong research profile within soft and/or biological matter that adheres to and is complementary to the other research currently conducted within the division. The applicant's research should to a large extent involve the use of scattering methods, using both local in house equipment, and large-scale synchrotron and/or neutron facilities. The successful candidate is expected to actively engage in the planned faculty infrastructure platform Center for Scattering Methods, and in the LINXS Institute of Advanced Neutron and X-ray Science. The successful candidate is also expected to pursue a leading role in interacting with the ESS and MAX IV facilities.

Available positions can be found on the Chemical & Biomolecular Engineering [opportunity website](#), so be sure to check it regularly.
