CBE IN THE NEWS

- [Updates regarding the COVID-19 vaccine](#)

DEPARTMENT'S SEMINAR/EVENTS:

- **OEIP Seminar**
Frances Galvin, University of Delaware
Thursday, February 9, 2023
11:00 AM in 366 CLB
[An Introduction to the Technology Transfer Process at UD](#)
- **CRiSP Seminar**
Matthew Cushman, Winterthur Museum & University of Delaware
Thursday, February 9, 2023
2:00 PM in 366 CLB
[Hydrogels in Art Conservation: Opportunities and Challenges](#)

OTHER DEPARTMENT'S SEMINAR/EVENTS

- **Materials Science & Engineering Seminar**
Dr. Chelsea Davis, Purdue University
Wednesday, February 8, 2023
10:30 AM in 322 ISE
["Illuminating Interfacial Materials: Micromechanical Characterization of Polymer Interfaces"](#)
- **Computer & Information Sciences Seminar Series**
Wendy Nilsen, Division of Information and Intelligent Systems
Friday, February 17, 2023
10:45 AM in Trabant Theater
["Important Considerations for NSF Funding"](#)

JOBS/RECRUITING

- **Howard University**
Position: [Assistant Professor in Chemical Engineering](#)
Brief Description: The Department of Chemical Engineering at Howard University invites applications from exceptional candidates for a tenure-track faculty position at the rank of Assistant Professor. The Department has an outstanding ABET accredited undergraduate program, a well-established Master's degree program, and is now seeking to expand its research portfolio and implement a doctoral program in chemical engineering.
- **University of North Dakota**
Position: [Assistant or Associate Tenure-Track Professor of Rehabilitation and Human Services](#)
Brief Description: The Department of Education, Health & Behavior Studies (Counseling Psychology and Community Services) seeks a 9-month Assistant or Associate Professor in the undergraduate Rehabilitation and Human Services Bachelor's program: This is a tenure-track position but an offer of tenure may be made based on a candidate's documented record of achievement and subject to approval from the department, college, University and State Board of Higher Education.
- **University of Delaware**
Position: [Post Doctoral Researcher, Art Conservation](#)
Brief Description: The Department of Art Conservation at the University of Delaware is seeking a postdoctoral researcher for a 2-year research and teaching position in the field of conservation science. This is a term position with a tentative start date of mid-August 2023.

Available positions can be found on the Chemical & Biomolecular Engineering [opportunity website](#), so be sure to check it regularly.
