NEWS OF THE WEEK
APRIL 17, 2023

CBE IN THE NEWS
• Updates regarding the COVID-19
  College Celebrations to Professor Labinda Kerley for becoming an Associate Editor with ACS Macro Letters
  Congratulations to PhD student Alison Shapiro for being named the 2023 recipient of the Richard Wool Award for Women in Green Engineering
  Poster named Dean of Research

DEPARTMENTS SEMINAR/EVENTS:
• CBE Seminar Series
  - Helen Durand, Wayne State University
    Friday, April 21, 2023, at 10:00 AM in 102 CLB
    and via Zoom [https://zoom.us/j/99415073240]
    “Cybersecurity and Quantum Computation in Control of Cyberphysical Systems for Next-Generation Manufacturing”
  - Sujit Datta, Princeton University
    Friday, April 28, 2023
    10:00 AM in 102 CLB
    and via Zoom [https://zoom.us/j/99415073240]
    “Life in a Tight Spot: How Bacteria Navigate Crowded Spaces”

OTHER DEPARTMENT’S SEMINAR/EVENTS
• Physical Chemistry Seminar
  Dr. Ambika Bhagi-Damodaran, University of Minnesota
  Friday, April 17, 2023, at 4:00 PM in 219 BNL
  “Engineering Iron Enzymes to Program Biological Signaling and Chemical Catalysis”
  Dr. Leila Deravi, Northeastern University
  Monday, April 17, 2023, at 4:00 PM in 219 BNL
  “Adaptive Materials Inspired by Cephalopods: From Molecules to Machines”

• Inorganic Chemistry Seminar
  Dr. Gaeil Ung, University of Connecticut
  Friday, April 21, 2023, at 4:00 PM in 219 BNL
  “Seeking chiral light: Design and synthesis of molecules emitting circularly polarized luminescence”

• Biochemistry Seminar
  Dr. Zhang-Yin Zhang, Purdue University
  Monday, April 24, 2023 in 219 BNL
  “Advancing Drug Discovery by Targeting Protein Tyrosine Phosphatases”

• Applied Chemistry Seminar Series
  Dr. Richard R. Schrock
  Tuesday, April 25, 2023, at 3:00 PM in the AUDION at STAR Tower
  “Mo and W-Based Olefin Metathesis Catalysts are formed From Metalacyclopentanes”

3M RISE SYMPOSIUM
• 4th Annual RISE Symposium
  We would like to announce that the 4th annual 3M RISE Symposium(Raising Influence in Science and Engineering) is now accepting applications! The purpose of the symposium is to introduce emerging underrepresented doctoral students in science and engineering to the wide range of rewarding careers in research and development at 3M. This is a virtual event that will be hosted from July 17th-19th 2023 and is a great way for future STEM leaders to get introduced to the corporate world.
  Ideal applicants are expected to complete their graduate degree appointment within 12 months of the RISE event. We will accept applicants from any STEM field. Attached is a flyer describing the symposium. The RISE Symposium application deadline is May 1st 2023.
  We are also conducting application reviews for a limited number of candidates prior to the 3M RISE application deadline. If interested, please fill out the Application Review form by March 27th.

RISE Event – https://3mrecsou.com/app/collect/form/POxBo6U7J6tHTaT1Rq9pa

DOW EVENTS
• Dow’s Annual BEST Symposium
  We are now accepting applications for the 17th annual Dow Building Engineering and Science Talent (BEST) Symposium. This year's BEST symposium will be held in person in Midland, MI on July 24th – 27th, 2023. The symposium is primarily intended to introduce Black, Latinx, and Native American U.S. doctoral and postdoctoral scientists to the wide range of rewarding careers in industrial research, and in particular, the many opportunities with one of the world’s largest and leading materials science companies, Dow. This conference, developed jointly by our minority scientists and Ph.D. recruiting team, demonstrates our commitment to a diverse work force.
  Additional information may be found at our website. All applications are due by April 30th, 2023.
  Participants in the conference may be considered for future employment at Dow. However, participation neither obligates the student to apply for employment, nor guarantees consideration for employment by Dow. For those wishing to learn more about opportunities, please visit our careers page.

JOBS/RECRUITING
Available positions can be found on the Chemical & Biomolecular Engineering opportunity website, so be sure to check it regularly.
