

## NEWS OF THE WEEK

APRIL 29, 2024

### CBE IN THE NEWS

- Congratulations to Graduate Students Juliana Nam and Jodi Graf for winning a poster award in UD's Women in Engineering Symposium
- [Congratulations to Linda Myrick for receiving the University of Delaware Outstanding Alumni Award](#)

### DEPARTMENT'S SEMINAR/EVENTS

- **CBE Seminar Series**
  - **Allan P. Colburn Memorial Lecture**  
**Adrienne Rosales, University of Texas at Austin**  
Friday, May 10, 2024 at 10:15 AM in 102 CLB  
and via Zoom: <https://udel.zoom.us/j/91386404306>  
["Multiscale Control of Dynamic Hydrogels for Bioinspired Applications"](#)
- **CNS Event**  
**Neutrons & Food 7 (NF7) Workshop**  
June 10-14, 2024 at The STAR Tower  
NF7 will promote a dialogue between researchers and food research/industry. Attracting international participants, the conference welcomes contributions from the wide community of food science and product development, food packaging, quality control and nutrition, as well as neutron users and researchers. Experts on complementary techniques interested in strengthening their use of neutron research are also welcome. This is an exciting opportunity for you and your organization to join the first time that this biannual conference takes place in the United States. [CLICK HERE](#) for more details on how to submit an abstract, sponsor the meeting or register.
- **DEI Webinar**  
**Alexander Mitsos, RWTH Aachen University, Germany**  
Wednesday, May 8, 2024 at 9:00 AM in 467 ISE  
or via Zoom: <https://udel.zoom.us/j/95422002732>  
["Machine-Learned Physical Properties for Molecular Design"](#)

### OTHER DEPARTMENT'S SEMINAR/EVENTS

- **College of Arts & Sciences Seminars**
  - Biological Sciences: Arnold M. Clarke Lecture  
Dr. Susan Golden, University of California San Diego  
Tuesday, April 30, 2024 at 4:00 PM in Trabant Theater  
["Circadian regulation of gene expression in vivo and in vitro"](#)
  - **Physical Chemistry Seminar**  
Dr. Denise Okafor, Pennsylvania State University  
Wednesday, May 1, 2024 at 4:00 PM  
via Zoom: <https://udel.zoom.us/j/92777070899>  
["Ligand-driven allostery and interdomain communication in nuclear receptors"](#)
  - **Organic Chemistry Seminar**  
Dr. Maria Contel, Brooklyn College, The City University of New York  
Friday, May 3, 2024 at 4:00 PM  
via Zoom: <https://udel.zoom.us/j/92777070899>  
["Gold \(I\) Anticancer Agents: Building Blocks for the Synthesis of Heterometallic Compounds and Antibody Drug Conjugates"](#)
  - **Biochemistry Seminar**  
Dr. Shahriar Mobashery, University of Notre Dame  
Monday, May 6, 2024 at 4:00pm in 219 BRL  
["Cell-Wall Recycling in Bacteria and the Nexus to Antibiotic Resistance"](#)
- **DOW 2024 BEST Symposium**  
The application deadline for the 18th annual Dow Building Engineering and Science Talent (BEST) Symposium is quickly approaching! We are currently accepting applications until the application **deadline of April 30, 2024**. This year's BEST symposium will be held in person in Midland, MI on July 29th – August 1st, 2024 and is primarily intended to introduce Black, Latinx, and Native American U.S. doctoral and postdoctoral scientists to the wide range of rewarding careers in industrial research, and in particular, the many opportunities with one of the world's largest and leading materials science companies, Dow. Additional information can be found at the [website](#). All applications are due by **April 30, 2024**. For those interested about DOW opportunities, visit our [careers page](#).
- **PoWER: Polymer Women Empowerment & Research Conference**  
July 11-12 at Northwestern University  
PoWER will foster community, share cutting-edge scientific results, highlight women's contributions and voices, and address issues pertinent to women and gender minorities in polymer science. We have an excellent schedule of impactful speakers and workshops lined up. [Apply](#).

### JOBS/RECRUITING

- **DOW**  
**Position:** Pilot Plan Engineer  
**Brief description:** There is an immediate need to fill the job so please pass the information to those students that have not yet accepted jobs upon graduation in May 2024. Anyone can reach out to me with any questions, but I will be reviewing candidates via Handshake for the next few weeks as they come in. Thank you so much.

Position can be found in Handshake for a BS Chemical Engineer at Dow.

All available positions can be found on the Chemical & Biomolecular Engineering [opportunity website](#), so be sure to check it regularly.
