- Congratulations to Professor Eric Furst for being named a Society of Rheology Fellow for 2024
- Congratulations to Brian Edwards and Carlos Lopez-Barron for being named Society of Rheology Fellows for 2024

### DEPARTMENT'S SEMINAR/EVENTS

- **DEI Webinar**  
**Alexander Mitsos, RWTH Aachen University, Germany**  
Wednesday, May 8, 2024 at 9:00 AM in 467 ISE  
or via Zoom: <https://udel.zoom.us/j/95422002732>  
“[Machine-Learned Physical Properties for Molecular Design](#)”
- **Allan P. Colburn Memorial Lecture**  
**Adrienne Rosales, University of Texas at Austin**  
Friday, May 10, 2024 at 10:15 AM in 102 CLB  
and via Zoom: <https://udel.zoom.us/j/91386404306>  
“[Multiscale Control of Dynamic Hydrogels for Bioinspired Applications](#)”
- **Summer Research Review: 2nd Year Talks**  
Wednesday, May 29, 2024  
9:00 AM – 4:00 PM in 102, 104, & 109 CLB

- **CNS Event**  
**Neutrons & Food 7 (NF7) Workshop**  
June 10-14, 2024 at The STAR Tower  
NF7 will promote a dialogue between researchers and food research/industry. Attracting international participants, the conference welcomes contributions from the wide community of food science and product development, food packaging, quality control and nutrition, as well as neutron users and researchers. Experts on complementary techniques interested in strengthening their use of neutron research are also welcome. This is an exciting opportunity for you and your organization to join the first time that this biannual conference takes place in the United States. [CLICK HERE](#) for more details on how to submit an abstract, sponsor the meeting or register.

### OTHER DEPARTMENT'S SEMINAR/EVENTS

- **MSEG Seminar**  
**Dr. Matthew J. Harrington, McGill University**  
Wednesday, May 15, 2024 at 10:00 AM in 322 ISE  
“[Biological Fabrication of Hierarchically Structured Materials from Protein Condensates](#)”
- **PoWER: Polymer Women Empowerment & Research Conference**  
July 11-12 at Northwestern University  
PoWER will foster community, share cutting-edge scientific results, highlight women's contributions and voices, and address issues pertinent to women and gender minorities in polymer science. We have an excellent schedule of impactful speakers and workshops lined up. [Apply](#).

### JOBS/RECRUITING

All available positions can be found on the Chemical & Biomolecular Engineering [opportunity website](#), so be sure to check it regularly.
