

2024 Dow-UD PhD Recruiting

Interviews (in-person): July 30 & 31 – apply to our Job in Handshake!

Dow is excited to be planning a series of recruiting events in July to support our upcoming PhD/Post-doc recruiting. Keep an eye on LinkedIn and Handshake to register and for links to any virtual events.

2024 events include:

- ✓ **Dow Information Session** - Thursday, July 11, 4-6pm (in-person; 102 Colburn Lab).
Register in Handshake for this broad Dow information session to prepare candidates for their interviews
- ✓ **Special Interest Sessions*** – Dates tba. Potential topics: Materials Science/Rheology; Engineering/Processing/ Catalysis; and Data Science/Modeling/Statistics (to be announced soon)

*: **Special Interest Sessions** will be virtual, unique opportunities for candidates in those areas to hear from Dow experts and also present a 1-slide summary of their work as an early intro to Dow.

Join the “**Dow Recruiting at U. Delaware**” LinkedIn group for the most up-to-date and earliest information!
