

The Graduate College is seeking UD graduate student and postdoctoral scholar presenters for the spring 2025 Spark! Symposium, which will be held from 4-7 p.m. on April 9 at the Audion on the Science, Technology and Advanced Research (STAR) Campus.

From educators studying knowledge acquisition, to neuroscientists exploring brain development, to physicists elucidating the structure of the cosmos, to social scientists identifying strategies to promote equity and inclusion, we know UD graduate students and postdocs are conducting innovative studies aimed to enrich various communities at individual and global scales (and everything in between!). **Whatever your angle, we want to hear more about your research.**

### [Share Your Research with Us](#)

**The deadline for proposal submissions is Feb. 24, at 11:59 p.m.** Presenters selected for the symposium will receive individual and small-group coaching to help them hone their presentation and research communication skills.

#### **Suprawee Tepsuporn, Ph.D.**
