

NEWS OF THE WEEK

JUNE 2, 2025

CBE NEWS:

- **James Tilton Receives the Babatunde Ogunnaike Teaching Excellence Award**
The award recognizes exceptional contributions in teaching and service by adjunct and affiliated faculty to the Department of Chemical and Biomolecular Engineering.

OTHER DEPARTMENT EVENTS:

- **11th Annual RUR Conference 2025**
[Regional Undergraduate Research Conference](#)
Saturday, November 1, 2025 at 8:00 AM at DE State University
The conference invites all disciplines and the call for abstracts. We encourage students to submit abstracts for posters or papers.

JOBS/RECRUITING

- **Carnegie Mellon University**
Position: [Postdoctoral Research Associate](#)
Brief description: Investigate biological oil interactions with and transport within aqueous foams under confinement. Experimental methods emphasize optical microscopy and image analysis. The candidate should have experimental experience with surfactant systems, with some preference for experience with foams and/or imaging methods. The initial contract will be for two years with the opportunity for renewal for up to one additional year, subject to performance and the availability of funds. The starting date is flexible, but July 2025 is desired. Applications will be reviewed starting June 23, 2025, but will remain open until the position is filled.

All available positions can be found on the Chemical & Biomolecular Engineering [opportunity website](#), so be sure to check it regularly.
